

BEING A SAFE PASSENGER – SEATBELTS AND RESTRAINTS

Discussion questions:

- Tell me what you do when you get in the car.
- Where is the best place for you to sit in the car?
- Who helps buckle you into your car seat?
- How do seatbelts and restraints keep people safe while travelling in the car?
- Why does everyone use different types of seatbelts or restraints?
- Who has to wear a seatbelt or restraint in the car?
- When is it safe to unbuckle?
- Why should you keep your arms correctly in the seatbelt or restraint?
- Is it safe to put your arms/head out the window?

Key messages:

- **Buckle up** every child, every trip. An adult should buckle and unbuckle them.
- **Seatbelts and restraints need to be used correctly** by keeping arms within the restraint. Remind children not to play with the seatbelt buckle.
- **The back seat** is the safest place to sit.
- **Be safe** and keep body parts inside the car.
