

1. Career support after school

Australian blueprint for career development

Career Management Competency											
1	2	3	4	5	6	7	8	9	10	11	12

Learning intention

Students will develop an awareness of the career and life supports available to them in their post school environment using the [School Leavers Information Kit](#) (SLIK).

Success criteria

Students can access and navigate the SLIK.

Resources

- [School Leavers Information Kit](#) – Your Career
- [Leaving secondary school](#) – Services Australia
- [Jobs and Skills WA](#)
- A4 paper

Classroom organisation

- Whole class
- Individual or in pairs

Preparation

- Identify the relevant resources in the Your Career suite of supports for school leavers.
- Download and print the SLIK for each student or students can access online or via the QR code on the information attached.

Activity 1

View the webinar [Opportunities – What’s out there?](#). This video guides students through the Your Career website and other useful websites. This may be as a whole class, individually or in pairs.

Activity 2

- Students access the SLIK either online or in hardcopy.
- Highlight the range of information listed on the contents page.
- Students explore the SLIK individually to learn more about services and supports available.
- Students note 5 interesting or relevant points that they think will be helpful post school.

Reflection

Students make pairs or groups of 3 to discuss and share the points of learning and add anything to their own list from others that may be of interest.
