

8. myfuture: My career profile – part 1

Australian blueprint for career development

Career Management Competency											
1	2	3	4	5	6	7	8	9	10	11	12

Learning intention

Students will build their myfuture: My career profile.

Success criteria

Students can:

- log into their myfuture account
- complete the 9 quizzes to build their 'My career profile'.

Resources

- Computer and internet access
- myfuture website <https://myfuture.edu.au/>
- Worksheet – myfuture: My career profile

Classroom organisation

Individual research

Preparation

Print myfuture: My career personal profile worksheet for each student (attached).

Activity

My career profile

- Students to log into [myfuture](#). If they haven't got a log in, they will need to create one using their school email address.
- Once logged in, students to go to 'My career profile' and begin working through the 9 quizzes.
- Students to complete the 'myfuture: My career profile' with a focus on interests, skills and values.

Reflection

Students reflect on their career profiles and suggested careers. Questions to prompt whole class discussion:

- How has completing the quizzes to build your career profile made you consider future occupations?
- Was anyone surprised by some of the suggested occupations?
- Were there any occupations suggested that you hadn't considered before, but are interested in now?

myfuture career profile

Task: Complete the 9 quizzes/aspects of the myfuture: My career profile. Complete the table below, focusing on 3 of these aspects: interests, skills and values.

	What were your results? Which areas are you strongest in?	Are you surprised by any of your results? Explain your response.
Interests		
Skills		
Values
